**9. Tax Withholding Options** PLEASE READ AND COMPLETE THIS SECTION IF YOU ARE REQUESTING A SURRENDER OR WITHDRAWAL.

Election of a tax withholding option is not available for tax-qualified products. The insurer is required to withhold 20% of any recognized gain for tax-qualified products unless proceeds are rolled directly into an IRA or other qualified retirement plan.

Under certain criteria established by the Treasury Department, a gain may be reportable by the insurer at the time of surrender, partial surrender or withdrawal of this policy, creating a taxable situation. However, any gain is taxable income for the current tax year.

If a gain is reportable, an IRS Form 1099R will be sent to you at the beginning of the next calendar year, reporting the recognized gain, and a copy of Form 1099R will be sent to the IRS. If a gain is not reportable when the surrender, partial surrender or withdrawal is processed, an IRS Form 1099R will not be sent. In addition, if a gain is reportable, the insurer is required to withhold 10% of any recognized gain, unless the policy owner elects not to have the tax withheld. You may be subject to penalties under the estimated tax payment rules if you elect not to have tax withheld and payments of estimated tax and other withholding are not adequate to satisfy tax liability.

Choose one of the following options. If an option is not selected, a withholding will automatically be made.

- I DO NOT want to have Federal Income Tax withheld in conjunction with this surrender/partial surrender/withdrawal.
- I DO want to have Federal Income Tax withheld from the surrender/partial surrender/withdrawal proceeds.

**10. Special Notice for Residents of a Community Property State**

A spouse or former spouse may have an interest in life insurance proceeds or any accumulated cash value if the policy premiums were paid with community funds. It is your responsibility to consult your legal advisor to 1) ensure that any required consent from a spouse or former spouse has been received and 2) ensure that your spouse or former spouse will not be able to make a claim against any policy values and/or the proceeds in the event any policy benefits become payable.
